

Technical Data Sheet

ADTECH® 4900 CYANOACRYLATE DEBONDER

ADTECH® 4900 IS A SOLVENT BASED LIQUID FORMULATED FOR THE REMOVAL OF ADTECH® CYANOACRYLATE ADHESIVES.

ADTECH® 4900 IS USED TO CLEAN AREAS OF UNCURED ADHESIVE, TO REMOVE SMALL AREAS OF CURED MATERIAL AND OVER TIME WILL SOFTEN THICK PORTIONS OF CURED MATERIAL.

Adtech® 4900 is also suitable for debonding skin but should not be used to debond eyelids or lips.

BENEFITS

- Debonds uncured and cured cyanoacrylate
- Debonds skin

AVAILABLE COLOURS

Clear

TECHNICAL DATA

Chemical type:	Propylene carbonate base
Brookfield viscosity:	2 mPAs
Specific gravity:	1.2
Flash point:	68°C

AVAILABLE SIZES

Bottle	20ml
--------	------

PREPARATION AND APPLICATION

Apply to surface where cyanoacrylate needs to be removed. If the cyanoacrylate is uncured, wipe immediately with a cleaning cloth or towel. If the cyanoacrylate is cured, allow the Adtech® 4900 to soak in before removing. Removal may need to be aided by a physical scraping action.

HANDLING AND STORAGE

Before using Adtech® 4900, refer to product label and safety data sheet for health and safety information.

Adtech® 4900 should be stored in the original containers in a cool, dry place, at a temperature range of between 5°C and 25°C. In these conditions it has a storage life of at least 12 months

DISCLAIMER: Due to the variation in materials likely to be handled by prospective users of this product, together with differences in production techniques and ultimate performance required, it is important that this product is thoroughly evaluated under production and end use conditions before being commercially adopted. Such an evaluation should incorporate an ageing test and this test should be repeated if the substrates on which the this product is used are changed in any way or are purchased from a different source. During the evaluation and testing of the product, it is the purchasers/end user's responsibility to carry out appropriate actions for the protection of the environment, the health and safety of its employees and purchasers of its products. No employee of Ureka Global Ltd has any authority to waive or change the forgoing provisions. The above recommendations are made in good faith for the guidance of users and are without liability. Any queries should be made in writing to the head office of Ureka Global Ltd.
